Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

S i r,

With reference to your letter No.G.928/Pol.147-18-4 dated the 12th July 1919, stating that the Police staff required for the station to be located in the new extension of the Belagola road, Mysore City, may be employed when the Vontikoppal extension is also ready, and that if in the meantime the Railway Department require a staff for watch and ward at the Belagola extension, they may have to bear the cost, I have the honor to state that the Agent of the Mysore Railways having already said that the Police in this extension are not intended for the watch and ward of any railway property but for the preservation of law and order and that therefore there is no reason for any portion of the cost being borne by the Railway Department, a recommendation was made to Government in this Office letter No. 3264/243 dated 21st/22nd November 1918, as the position taken up by the Agent was reasonable.

2. The proposed Police Staff will be useful not only to the Railway Quarters but also to the Padavarhalli village and the new Vontikoppal village which sprang up a few years ago, both of which form part of the Mysore City. These villages are very far away from any of the existing Police Stations in the City, and a recent case of house-breaking and theft in the new Vontikoppal village has not yet been detected.
